Wine with the soul of the Forest

Tasting Notes

EDICIÓN LIMITADA 2015

They say that it spends years in the bottle because it needs time to make its virtues more pure. The market can wait.

COLOUR

Deep picota cherry red, brilliant.

NOSE

Really intense, complex, clean and elegant, very interesting. Ripe black fruit, plums, accompanied to perfection by notes of balsamic and spices such as clove, incense and a light touch of laurel.

TASTE

A fine, long and smooth start, very smooth, from the extra elegant tannins, superbly integrated, black fruit giving way to red, clove and vanilla. Lingering, rich and very elegant. It is in an optimal moment for consumption.
